

**6th Meeting of the Asia-Oceania Sonochemical Society (AOSS-6, 2025)
in conjunction with
34th Annual Meeting of the Japan Society of Sonochemistry
December 3-5, 2025**

Shimadzu Tokyo Innovation Plaza, Kawasaki, Japan

It is our pleasure to invite you to the 6th Meeting of the Asia-Oceania Society of Sonochemistry in Kawasaki, Japan. We welcome you from December 3 to December 5, 2025 to learn about the latest advances in research, recent implementations in industry, and current offers from technology providers. The conference will cover a wide range of topics from fundamental aspects of ultrasound and hydrodynamic cavitation to applications in engineering and scale-up of ultrasonic processing, chemical synthesis, materials and nanoparticle production, surface treatment and cleaning, and environmental remediation.

About AOSS

Asia-Oceania Sonochemical Society (AOSS) was established in 2013, and AOSS meeting have been held every two years at the following locations.

1st Meeting : Melbourne in 2013

2nd Meeting : Kuala Lumpur in 2015

3rd Meeting : Chennai in 2017

4th Meeting : Nanjing in 2019

AOSS-ESS-JSS Joint Meeting : Virtually in 2021

5th Meeting : Warangal in 2023

Important Dates

Closing Registration

: October 31, 2025

Conference

: December 3-5, 2025

Abstract Submissions

The meeting aims to provide a platform for academic presentations and discussions on the following fields:

- Cavitation, Sonochemistry & Sonoluminescence
- Sonoprocessing (e.g.: Dairy, Food, etc.)
- Materials Science (e.g.: Colloids and Nanomaterials, etc.)
- Environmental Sonochemistry
- Ultrasound in Medical Applications
- Other Related Areas

Abstracts are to be written in English and should be submitted electronically using the Google form. Abstract length is limited to two A4 pages.

Congress Venue

The meeting will take place in the Shimadzu Tokyo Innovation Plaza (Kawasaki).

Address : 3-25-40 Tonomachi, Kawasaki-ku, Kawasaki City, Kanagawa Prefecture, Japan
